2022 Did you know most resumes are tossed aside because of content; not qualifications. What a shame when you are qualified for a job yet eliminated because as little as one word or phrase sent up a \*red flag\* about you or annoyed the person making the final decision. There are many common words that employers and HR do not like to see. Words that are so overused and misused, just seeing the words annoys them. So what happens next? When employers read your resume and see \*red flags\* or are annoyed, they hit the delete button and move on to the next resume.

**A Handbook of Practicing Anthropology** Jul 14 2021 An essential career-planning resource, *A Handbook of Practicing Anthropology* presents a comprehensive account of contemporary anthropological practice written primarily by anthropological practitioners. Engagingly written and instructive accounts of practice by anthropological professionals working in corporations, governmental, entrepreneurial, and educational settings. Provides essential guidance on applying anthropological principles on the job: what works well and what must be learned. Emphasizes the value of collaboration, teamwork, and continuous learning as key elements to success in non-academic careers. Highlights the range of successful career options for practitioners, describes significant sectors of professional activity, and discusses key issues, concerns, and controversies in the field. Chapters examine key practice sectors such as freelancing, managing a consulting firm, working for government, non-profits, and corporations, and the domains of health, industry, education, international development, and the military.
