Mataf and the wolves/Mataf et les loups Nov 18 2021
Age: from 8 years old
Reading Level: from 3rd Grade
Thanks to these short bilingual stories, children will learn to master both

French and English. Mataf the house cat is going to live through a crazy experience to rescue Myrte, a baby within an inch of starving... What can he do, being so little, all alone in the pitch-dark night, under the snow, when he is terrified of everything ? What if, in

this Christmas eve, there was a genie, even a third-class one, rising from an old oil-lamp to help him brave the wolves prowling about in the deep forest ? About the series: children growing in a bilingual environment will love the short and educational stories published by the

Éditions Ipagine. Richly illustrated, these tales will help them understand the similarities and the differences between French and English.

Featured books: • Night Belle/Belle de Nuit • Blue-eyed Herbie/Herbie aux yeux bleus • The awful mystery/Le terrible mystère • Luna, the black panther/Luna, la panthère noire • Malice, the abandoned dog/Malice, le chien abandonné • Wally, the walrus/Morso, le morse • Elin & Apollo/Nigel & Apollon • Odile and the pelican/Odile et le pélican

La promesse du loup Nov 25 2019 Perplexe, Luc dévisage en silence la femme qui se tient en face de lui. Se peut-il réellement que cette guérisseuse qu'il a promis à son clan de ramener avec lui ignore tout de sa véritable nature ? Mais tandis qu'il cherche ses mots pour lui révéler qu'elle porte en elle une part de loup, il sent brutalement une pulsion inconnue l'envahir. Abasourdi, incrédule, Luc, le loup solitaire, comprend alors l'incroyable vérité : cette femme troublante qui le regarde d'un air étonné est son âme sœur, sa compagne du destin...

A Dictionary of Animal Names and Expressions Used Figuratively by Modern Francophone Authors Dec 27 2019 Hold it.

Did that author really use the word rat as an endearment? What does that character really mean by barking Merci, mon chien to a rude waiter? Using nearly 4,500 citations, illustrative quotations and examples, Foley (modern languages, U. of Strathclyde) lists 325 zoonyms (animal names) that have lent themselves to idiomatic expressions, m
Picturing the Wolf in Children's Literature Oct 17 2021 From the villainous beast of "Little Red Riding Hood" and "The Three Little Pigs," to the nurturing wolves of Romulus and Remus and Rudyard Kipling's *The Jungle Book*, the wolf has long been a part of the landscape of children's literature. Meanwhile, since the 1960s and the popularization of scientific research on these animals, children's books have begun to feature more nuanced views. In *Picturing the Wolf in Children's Literature*, Mitts-Smith analyzes visual images of the wolf in children's books published in Western Europe and North America from 1500 to the present. In particular, she considers how wolves are depicted in and across particular works, the values and attitudes that inform these depictions, and how the concept of the wolf has changed over time. What she discovers is that illustrations and photos in works for children impart social, cultural, and scientific information not only about wolves, but also about humans and human behavior. First encountered in childhood, picture books act as a training ground where the young learn both how to decode the "symbolic" wolf across

various contexts and how to make sense of "real" wolves. Mitts-Smith studies sources including myths, legends, fables, folk and fairy tales, fractured tales, fictional stories, and nonfiction, highlighting those instances in which images play a major role, including illustrated anthologies, chapbooks, picture books, and informational books. This book will be of interest to children's literature scholars, as well as those interested in the figure of the wolf and how it has been informed over time.

Effects of Water Temperature on the Discharge of Bed Material May 12 2021 A study of the theoretical and observed effects of changes in water temperature on the transportation of bed material.

French and English Idioms and Proverbs with Critical and Historical Notes Sep 04 2020

Mon ami le loup Dec 19 2021 Elizabeth Barrem se voit contrainte de suivre son père et passer sa dernière année de Lycée dans un trou perdu. Comme si ce n'était pas déjà pénible, on tente de la tuer dès son premier jour à coup de... ballon. Cet objet adulé par des milliers de fans de football sera le responsable d'une rencontre houleuse avec une montagne de muscles au sale caractère et celle d'un bad boy aussi ténébreux qu'entreprenant. Tous les élèves de cet établissement scolaire sont fous à lier. Faut vraiment être dérangés mentalement pour n'avoir que le mot « loup » et « lune » à la bouche ! C'est la seule explication. Ou pas.

New Fairy Tales Aug 15 2021 *New Fairy Tales:*

English & French · The English text has been translated from the French. · The French text has been re-worked. · Contains commentaries on some parts of the text. · Contains a summary of French grammar. · Contains a Translation Skills Test (with Grammar tips). · Can be read in 'English to French'; 'French to English'; 'English'; or 'French'. THIS EDITION: *New Fairy Tales* (in French, *Nouveaux Contes de fées*) is a classic French book written by Comtesse de Ségur. It contains a collection of five smaller stories. This volume includes an introductory section summarising the important aspects of French grammar. The digital edition also contains a translation skills test. (Includes verb conjugation and other grammar hints.)

The dual-language text has been arranged into small bilingual snippets for quick and easy cross-referencing. The content is ideal for assisting the intermediate language learner to transition to foreign language only content. Also, if the content is too difficult, there is other material put out by 2Language Books that can help. The reader can choose between six options: Section 1: English to French Section 2: French to English Section 3: English Section 4: French Section 5: English to French Skills Test Section 6: French to English Skills Test The eventual aim is to read with a comfortable level

of understanding only in the foreign language.

If you are a beginner, read the native language snippet first. If you are at an intermediate level, read the foreign language snippet first. The advanced level is like the beginners level, except you have to try and figure out the foreign language text, instead of having it provided. One way to do this is to cover the foreign text snippet. In the digital edition, you can take an intermediate or advanced level skills test. Many basic language books offer some form of audio support. Internet services — primarily news based radio stations — offer podcasts. Audio from television is an additional resource, and can be formatted for use on various digital platforms. However, if audio is an important component of your interest in languages, electronic devices that support quality text-to-speech (TTS) will likely be appealing. With a library card, TTS technology (in a device that supports the relevant content), and the above mentioned resources (as digital content), an entire language learning system is available for not much more than a cup of coffee! There is no substantial financial outlay to get you started. Furthermore, there are no additional ongoing fees (and updates), and there are no expiry dates on 'premium' content and resources. (A Dual-Language Book Project) 2Language Books

Le dernier loup des Millevaches Feb 27 2020

La disparition d'un enfant défiguré par une maladie incurable laisse tout le monde indifférent dans le hameau de Pisseloup. Pisseloup est un hameau du plateau des Millevaches perdu aux confins des départements de la Corrèze, de la Creuse et de la Haute-Vienne. Le récit se passe au cours de l'année 1913, temps des superstitions, année de tous les périls. Au hameau, on a fort à faire avec les loups ! Les derniers survivants de cette race maudite des Millevaches sont venus se réfugier à Pisseloup ! Par quelle malédiction ? Ce récit est aussi l'histoire des Peyrutie : Jean, un scieur, un homme généreux et travailleur ; Marie, la mère, une femme au caractère exceptionnel, fière jusqu'à l'orgueil et Germain leur fils, un enfant damné à la naissance, atteint d'une maladie incurable qui lui dévore le visage ! Cette maladie qui le rend hideux, a conduit à son exclusion de l'école communale en 1902 : il était alors âgé de 6 ans et demi ! Personne ne reverra vivant cet enfant, honni et banni du monde ! Au hameau, à part quelques personnes, on n'aime pas les Peyrutie, on se montre indifférent à leur drame ! À quoi bon se préoccuper du sort du fils Peyrutie qu'on dit, en cette année 1913, reclus à la scierie, mourant et grabataire ! Découvrez un polar noir dont la trame se déroule sur le plateau des Millevaches durant l'année précédant la Première Guerre mondiale. À PROPOS DE L'AUTEUR José Demellier est né le 26 septembre 1945 à Beauvais, dans l'Oise. Issu d'un milieu modeste, après quelques années d'activité, il obtient un

master en management. Chef de service à la sécurité sociale à Tulle jusqu'en 2005, il est passionné de littérature classique, mais aussi de paléanthropologie. Son premier roman, *La Toquée*, est paru aux éditions de Borée en 2015.

La chasse du loup Jun 13 2021

Loup Jun 01 2020 Réédition Yanaël est un jeune loup particulier : ses dons, tout autant que sa personnalité, le rendent unique. Exclu de son clan, il se retrouve seul et livré à lui-même. Il ne peut compter que sur *Loup*, son alter ego lupin, qu'il adore et avec qui il partage un lien inaltérable. Après deux ans passés à tenter de se construire une nouvelle vie, un changement dans son ancienne meute vient bouleverser son existence. Adam, Second de l'Alpha, semble prêt à tout pour l'aider à trouver sa place parmi les siens. Pourtant, les dangers rodent, sournois et impitoyables. Ses talents et le soutien de ses nouveaux amis seront-ils suffisants pour lui permettre de relever et remporter les défis qui jalonnent sa route ?

The Proustian Quest Feb 09 2021 "An ambitious study, the fruit of sustained work over many years. Professor Carter's book deploys a stunning knowledge of Proust and places Carter among the first line of Proust scholars in the country." —Roger

Shattuck, Boston University *The Proustian Quest* is the first full-length study that explores the influence of social change on Proust's vision. In *Remembrance of Things Past*, Proust describes how the machines of transportation and communication transformed fashion, social mores, time-space perception, and the understanding of the laws of nature.

Concentrating on the motif of speed, Carter establishes the centrality of the modern world to the novel's main themes and produces a far-reaching synthesis that demonstrates the work's profound structural unity.

L'épreuve du loup Sep 23 2019 Retrouvez Kieran, Aly, Mahígan, Vaughan et bien d'autres dans *L'Épreuve du loup*, le nouveau tome de la série *Yaak Valley* ! Dans la vallée de *Yaak*, les Esprits sont de nouveau à l'œuvre et les cœurs malheureux espèrent ne pas être oubliés. À *Blue River*, celui qui a été détruit doit apprendre à se reconstruire, et si le temps semble être le meilleur remède, la patience d'un certain loup pourrait bien se révéler d'une aide tout aussi précieuse. Quant à ceux que le Destin a déjà réunis, les épreuves sont loin d'être finies, car de grands bouleversements les attendent.

Investigating Translation Jul 22 2019 This volume brings together a selection of papers presented at an international conference on Translation Studies in Barcelona in 1998. The papers illustrate four areas that are of particular interest in translation research today in Europe, Asia and Latin America. The purpose

of the first section, 'Investigating Translation Paradigms', is to reach a critical revision of existing paradigms and to develop new ones in approaching the translated text. The second section, 'Investigating the Translation Process', focuses on the skills, knowledge and strategies that make up translation competence. The third

section, 'Investigating Translation and Ideology' addresses not only the 'invisible' influence of ideologies on the translator, but also the role of translators in transmitting ideology. The fourth section, 'Investigating Translation Receivers' envisages translators as communicators caught between the opposing trends of localisation and globalisation. This

tension can be seen in the selection of the papers, some of which reflect on research carried out in recently established translation centres in Spain, while others discuss the latest work of scholars from long established centres in other countries.
