Lullabies to Circle Games Apr 30 2020 Lullabies to Circle Games: An Early Childhood Music & Movement Curriculum by Jo Kirk. This curriculum is jammed packed with joy-filled time-tested/classroom-tested music and movement experiences for children, birth through Pre-K and early elementary school. It is designed for parents, early childhood specialist and music & movement educators. It offers teaching tips, approaches for leading a song or rhyme, methods for teaching a song by rote, "greeting" songs, choosing songs & rhymes, and song that incorporate the child's name. Special attention is directed to (a) a movement sequence that provides greater movement success for the child, (b) the vocal and rhythmic development of the child, and (c) suggested ways to use simple percussion instruments to enhance the child's musical ear and awareness. This developmentally appropriate curriculum is organized by 1-12 month (passive stage of learning), 13-24 month (transitional stage of learning), 2-3 years (active stage of learning), 4-5 years and school age through 3rd or 4th grade (early musical literacy focus). Game directions and teaching suggestions are provided for EVERY song, rhyme and activity in the book. The 1-12-month curriculum connects the caregiver and child in joy-filled one-on-one musical experiences through bounces, wiggles, tickles, taps, claps, use of simple percussion instruments, easy to sing songs, fostering movement exploration, movement to recordings and lullabies. The 13-24-month curriculum contains vigorous bounces, delightful wiggles, beginning finger plays & tickles, claps, songs for movement exploration, taps, easy to sing songs, use of simple percussion instruments, beginning circle games, lullabies, songs for listening, and movement to recordings that the child and teacher/caregiver can share together as well as side-by-side. The 2-3-year curriculum includes finger plays, action songs, activities & songs with the steady beat, songs for independent singing: fill in the blank, echoing and resting tone, active movement exploration, circle games, and songs for listening which motivate the child toward independent exploration. The 4-5-year & school age curriculum actively leads the child through sophisticated finger plays and action songs, steady beat activities, simple songs, movement exploration and complex circle games, fun-filled opportunities for independent singing and creative movement to recorded music that challenges the imagination.

Literacy Development in Early Childhood Nov 25 2019 Written by an author with more than 25 years of experience in the emergent literacy field, this popular text provides a comprehensive overview of literacy

development from infancy through the primary grades, emphasizing the role of oral language as a foundation for literacy, home-school connections, and cultural influences on literacy development. Chapters follow a logical sequence, from identification of the signs of early literacy behaviors to developmentally appropriate strategies for enhancing those behaviors. Observation and assessment forms for classroom use are integrated throughout. This highly regarded guide helps teachers become thoughtful mediators in children's transactions with literacy. Additional features: Provides teachers with tools for reflective literacy instruction. The text's organization and narrative encourages pre-service teachers to become effective decision makers who select and implement instructional strategies based on their knowledge of individual children's emergent literacy behaviors and needs. Explores literacy strategies through classroom- and home-based examples and vignettes. Numerous vignettes and examples of teacher-child interactions demonstrate literacy scaffolding in an applied and authentic manner. Supports teachers in multicultural and urban settings. An emphasis on linguistic and cultural diversity—including an array of strategies for English language learners—provides today's teachers with the knowledge to help all children succeed.
